Coaching Experience and Philosophy

As with most parents with children, I began my coaching journey when my daughter Madison first registered for soccer. I saw a chance to help in the growth of a child's abilities both physically and mentally. What I discovered though was the opportunity to coach helped expand my abilities mentally and socially. I have thoroughly enjoyed the journey so far.

2009 – 2015 - Recreational coach for soccer, basketball, baseball, football.

Spring 2016 – Coached first competitive level team at Middleton Soccer Club.

Fall 2017 – Current – Assisted Derek Whimpee with training and coaching of 2005 and 2006 girls' soccer teams. Three teams in total. Derek agreed to take me on as my mentor so that I could learn under his philosophy's.
